We source as much as possible from the Elveden Estate and farm, including vegetables, meat and foraged herbs, then look to the local area and region for the best produce before travelling further afield.

Everything we purchase is sourced with the utmost care and attention, to ensure its quality is in line with our own. Our menu is frequently updated to allow us to offer locally sourced and in season produce.

In order for us to be assured that you leave us satisfied, please allow us to put right any issues you may have with your experience today.

Please be aware we will take every precaution in preparing your food when you have discussed your requirements with our staff. However, we are a multi-use kitchen and traces of products cannot be guaranteed to be eliminated from our finished dishes.
