

ELVEDEN BUTCHERY

If you have any questions or would like to place an order, you can call us on **01842 898041** and one of our friendly butchers will be happy to help.

Exact weights cannot be guaranteed, but our butchers will of course aim to fulfil your requirements where possible. Prices are subject to change if we deem necessary.

A lot of these items are cured, aged or grown specifically for Christmas and are therefore limited in availability. Please ensure you submit your order well in advance to help us meet your requirements.

PORTION GUIDE

To help you decide what bird or joint you require, we use this basic guideline:

Raw meat on the bone – 500g (1lb) per person

Raw meat boneless – 250g (1/2lb) per person

These are only guidelines, so if you require extra or want to enjoy over a longer period, please add accordingly.
